## Treasurer's Report

JOHN PALADINO, TREASURER

We are certainly living in uncertain times, but some things never change like winter in New England. The latest snowfall makes this an excellent time to visit Cold Spring and enjoy all that it has to offer. Our staff has been busy throughout keeping up with the many changes implemented at the resort due to COVID. The Oversight Committee was on site during maintenance week painting and inspecting units. Our fiscal health remains strong even through these difficult times. We know many of you are facing physical, emotional and economic stress and we are thankful that you continue to support our resort. We have delayed some improvements until spring due to the economic uncertainties but hopefully we will be back stronger next year. We hope you are all staying safe and wish all of you a wonderful holiday season and a Happy New year.

On behalf of the Cold Spring Board of Directors, Ron & I would like to thank all of the staff, and all of the owners, for your understanding, patience and devotion to our resort this past year. 2020 was not anything that any of us could have seen coming-nor would we have wanted to! We wish you all of the best in 2021 and look forward to seeing everyone in person.

-Christine Lussier & Ron Smith  
Co-Vice Presidents
